**1. Background**

On 15.2.2018, the Town Planning Board (the Board) received an application seeking planning permission for proposed minor relaxation of building height restriction for permitted hotel development within "C(1)" zone and proposed 'Hotel' use within an area shown as 'Pedestrian Precinct/Street' at No. 7 Stanley Market Road and Nos. 78 & 79 Stanley Main Street, Stanley on the approved Stanley OZP No. S/H19/12 (**Plan A-1**) for a proposed hotel development. The application is scheduled for consideration by the Metro Planning Committee (the Committee) of the Board at this meeting.

## **2. Request for Deferment**

On 19.3.2018, the applicant's representative wrote to the Secretary of the Board requesting the Committee to defer making a decision on the application for two months in order to allow time for preparation of further information to address relevant government departments' and public comments (**Appendix I**).

## **3. Planning Department's Views**

- 3.1 The Planning Department has no objection to the request for deferment as the justification for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to address relevant government departments' comments, the deferment period is not indefinite, and the deferment would not affect the interests of other relevant parties.
- 3.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a period of two months for preparation of further information, and no further deferment would be granted unless under very special circumstances.

## **4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
