- Application** : Proposed Shop and Services (Fast Food Counter and Local Provisions Store)

1. Background

On 16.5.2019, the application for permission to use the premises for proposed ‘Shop and Services (Fast Food Counter and Local Provisions Store)’ was received by the Town Planning Board (the Board) (**Plan A-1**). The application is scheduled for consideration by the Metro Planning Committee (the Committee) of the Board on 5.7.2019.

2. Request for Deferment

On 21.6.2019, the applicants’ representative wrote to the Secretary of the Board requesting the Board to defer making a decision on the application for a period of two

months so as to allow more time for preparation of further information to address departmental comments (**Appendix I**).

3. Planning Department's Views

- 3.1 The Planning Department has no objection to the request for deferment as the justifications provided meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicants need more time to prepare further information to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicants. If the further information submitted by the applicants is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicants should be advised that the Committee has allowed two months for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicants' request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
