Dear Sirs,

**Application for a Proposed Vehicle Repair Workshop in “Residential (Group E)” Zone at G/F (Part) and M/F (Part), Safety Godown, at Kwai Chung Town Lot (“K.C.T.L.”) No. 165, Nos. 132-140 (Even Numbers Only) Kwok Shui Road, Kwai Chung, New Territories**

On 2.5.2018, we received the further comments from the Transport Department (“TD”) with respect to the captioned application. Subsequently, the Applicant actively submitted its clarifications and responses to the Town Planning Board (“TPB”) on 4.5.2018 with a view to fully address TD’s remaining outstanding concerns toward the captioned application. It is understood that TD may require the Applicant to further clarify its submitted information. The Applicant therefore would like to make a last request to defer, for a period of one month, the Metro Planning Committee Meeting which will consider the captioned application.

Should you have any queries with regard to the above, please do not hesitate to contact our Miss Karen Chan or the undersigned at 2566 9988.

Thank you very much for your kind attention.

Yours faithfully,  
for and on behalf of
