  - (b) For a non-domestic building to be erected on the site, the maximum PR shall not exceed 9.0.
- Application** : Proposed Hotel (Conversion of Existing Non-domestic Building)

**1. Background**

On 15.7.2020, the application for wholesale conversion of the existing non-domestic building (except the G/F currently occupied by a shop) for proposed hotel use at the application site was received by the Town Planning Board (the Board) (**Plan A-1**). The application is scheduled for consideration by the Metro Planning Committee (the Committee) of the Board at this meeting.

**2. Request for Deferment**

On 27.8.2020, the applicant's representative wrote to the Secretary of the Board requesting the Board to defer making a decision on the application for a period of one month so as to allow more time for preparation of further information to address departmental comments (**Appendix I**).

**3. Planning Department's Views**

3.1 The Planning Department has no objection to the request for deferment as the justifications provided meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare further information to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

3.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed one month for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

**4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
