[Restricted to a maximum plot ratio (PR) of 9.5, or the PR of the

existing building, whichever is the greater.]

Application Temporary Concrete Batching Plant for a Period of 5 Years

1. Background

- 1.1 On 10.11.2017, the applicant seeks planning permission to use part of Tsing Yi Town Lot (TYTL) 108 RP (the Site) for temporary concrete batching plant for a period of 5 years.
- 1.2 On 22.12.2017, the Metro Planning Committee (the Committee) agreed to defer making a decision on the application for two months as requested by the applicant in order to allow sufficient time for preparation of further information to address the departmental comments.
- 1.3 On 14.2.2018, the applicant submitted further information including revised traffic impact assessment and environmental assessment to address departmental comments. The application is scheduled for consideration by the Committee on 6.4.2018.

2. Request for Deferment

On 28.3.2018, the applicant's agent wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application for 2 months so as to allow time for preparation of further information to address the outstanding comments of concerned departments (**Appendix I**).

3. Planning Department's Views

- 3.1 The Planning Department <u>has no objection</u> to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare further information in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within 2 months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed 4 months in total for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

4. <u>Decision Sought</u>

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
