Dear Sirs,

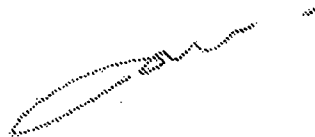

Application for Amendment of Plan under Section 12A
Rezoning of the 19-21 Wing Kin Road
from "Industrial" to "Other Specified Uses" annotated "Columbarium (2)"
(No.Y/KC/14)

In response to the comments from the Architectural Services Department to our proposal and Transport Department with regard to our Traffic Impact Assessment Report, it takes time for us to respond to the comments. The response to these comments requires a very significant effort for the data collection and analysis.

We wish to request for deferment of the application for a period of 2 months in order to allow sufficient time for us to prepare further information to address the comments from the concerning departments.

Should you have any query, please feel free to contact the undersigned on 2370 -0438.
