The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) at this meeting.
- 1.2 In view of the situation of COVID-19 and the latest special work arrangement for government departments announced by the Government, the Planning Department (PlanD) has only provided essential and limited public services and the District Planning Offices of PlanD have suspended all fieldwork, including visits to application sites for gathering of background information, until further notice.

**2. Planning Department’s Views**

- 2.1 According to the Town Planning Guidelines on Deferment of Decision on Representations, Comments, Further Representations, and Applications made under the Town Planning Ordinance (TPB PG-No. 33), a decision on a s.16 application should be deferred if information which is essential for the consideration of the submissions by the Town Planning Board is not available but is required to be

provided by the relevant parties or government departments. Since all fieldwork has been suspended during the special work arrangement and some relevant background information of the application site, which is essential for the consideration of the application by the Committee, is not yet available, it is recommended to defer making a decision on the application until such information becomes available.

- 2.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration as soon as practicable after the fieldwork is resumed and the required background information of the application site can be made available.

### **3. Decision Sought**
