North Point,
Hong Kong

Dear Sir/Madam,

I would like to request deferral of my application of a Section 16 planning application with reference no.: TPB/A/I-MWF/29 for 2 months. The reason for deferral is the need for more time to gather the information subjected to the planning department's comments. We appreciate if you can approve our request for the deferral. Thank you for your attention.

Best regards,

Yuen Chan Yuk Ying
