- Site** : Lot No. 30 in D.D.362 (Part), Tsing Chau Wan, Lantau Island
- Site Area** : About 4,595 m²
- Lease** : (a) Private lot granted to the owner for a term of 15 years from 7.10.2008
(b) Restricted for the purposes of a shipyard for ship/boat building or ship/boat repairing or both
- Plan** : Approved North-East Lantau Outline Zoning Plan (OZP) No. S/I-NEL/12
- Zoning** : “Undetermined”(“U”)
- Application** : Proposed Concrete Batching Plant on a Temporary Basis for a Period of 3 Years

1. Background

On 19.12.2017, the applicant sought planning permission for a temporary concrete batching plant for a period of 3 years at the subject site (**Plan A-1**). The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) at this meeting.

2. Request for Deferment

On 31.1.2018, the applicant’s representative wrote to the Secretary of the Town Planning Board (the Board) requesting the Board to defer making a decision on the application for two months to allow time for preparation of further information (FI) to address departmental comments (**Appendix I**).

3. Planning Department's Views

3.2 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare FI to address departmental comments, the deferment period is not indefinite, and the deferment would not affect the interest of other relevant parties.

3.3 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed two months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
