**Reasons for Rejection**

- (i) Not in line with the planning intention of the application site which is mainly designated as 'Road'
- (ii) Setting of an undesirable precedent

Advisory Clauses

- (a) to note the comments of the Director of Environmental Protection (DEP) that the applicant is advised to follow the latest 'Code of Practice on Handling Environmental Aspects of Open Storage and Temporary Uses' issued by the Environmental Protection Department;
- (b) to note the comments of the Chief Engineer/Mainland South, Drainage Services Department (CE/MS, DSD) that adequate stormwater drainage facilities should be provided in connection with the development to deal with the surface runoff of the Site without causing any adverse drainage impacts or nuisance to the adjoining areas;
- (c) to note the comments of the Chief Building Surveyor/New Territories East 2 and Rail, Buildings Department (CBS/NTE2 & Rail, BD) that the applicant should be reminded that all non-exempted ancillary site formation and/or communal drainage works, if any, are subject to compliance with the Buildings Ordinance, and an Authorized Person must be appointed for the site formation and communal drainage works; and
- (d) to note the comments of the Chief Engineer/Construction, Water Supplies Department (CE/Construction, WSD) that for provision of water supply to the development, the applicant may need to extend his/her inside services to the nearest suitable government water mains for connection. The applicant shall resolve any land matter (such as private lots) associated with the provision of water supply and shall be responsible for the construction, operation and maintenance of the inside services within the private lots to WSD's standards.
