Thank you for your letter dated 12 November 2018 and note the captioned application has been scheduled for consideration by the TPB on 4 January 2019.

In the meantime, we have received further comments from the CTP/Urban Design and Landscape and Commissioner for Transport on our further submission and we need to seek Consultants to address them. In this connection, we would appreciate if you would arrange a deferment of consideration of the application for two months.
