Dear sir/madam,

We refer to the captioned planning application.

In order to allow more adequate time to provide responses to the government departmental comments from EPD, TD and LandsD, the applicant would like to make a further 2-month deferment request for preparing the relevant technical assessments. The applicant would submit the further information within 2 months for the Town Planning Board's consideration.

Should you have any queries, please feel free to call me at 2301-1869. Thank you.

Regards,

Anson Lee
