- Proposed Amendment** : To rezone the site from “R(C)1”, “GB” and area shown as ‘Road’ to “Residential (Group C)2” (“R(C)2”) and “GB”

1. Background

- 1.1 On 19.10.2018, the applicant submitted an application to rezone the application site (**Plan Z-1**) from “R(C)1”, “GB” and area shown as ‘Road’ to “R(C)2” and “GB”. The proposed “R(C)2” zone will be subject to a maximum plot ratio of 1.0, maximum site coverage of 30% and maximum building height of 4 storeys over one level of carport. The proposed rezoning is intended to facilitate a low-rise and low-density residential development at Lot 310 in D.D. 224.
- 1.2 On 21.12.2018, the Rural and New Town Planning Committee (the Committee) agreed to defer making a decision on the application for two months as requested by the applicant, so as to allow sufficient time for preparation of further information (FI)

in order to address departmental comments. On 21.2.2019, the applicant submitted FI to address comments from the Transport Department (TD). The application is scheduled for consideration by the Committee on 17.5.2019.

2. **Request for Deferment**

On 10.4.2019, the applicant's representative wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application for another two months so as to allow time for preparation of FI to address departmental comments (**Appendix I**).

3. **Planning Department's Views**

3.1 The application has been deferred once for two months at the request of the applicant to allow time to address the departmental comments. Since the first deferment on 21.12.2018, the applicant has submitted FI on 21.2.2019 to address comments from TD. Nevertheless, the applicant needs more time to address TD's further comments and comments from other government departments.

3.2 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare FI to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

3.3 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within three months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. Since it is the second deferment of the application, the applicant should be advised that the Committee has allowed a total of four months including the previous deferment for preparation and submission of FI and no further deferment would be granted unless under very special circumstances.

4. **Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
