

Recommended Advisory Clauses

- (a) to note the comments of District Lands Officer/Shu Tin, Lands Department that the applicant has applied for a permanent Government land allocation of the application site for the construction of the proposed fresh water tank ("the PGLA application"). If and after approval has been granted by the Town Planning Board, the PGLA application will be considered by District Lands Office/Shu Tin and any approval would be subject to such engineering conditions as may be imposed by his department;
- (b) to note the comments of Director of Fire Services:
 - (i) relevant layout plans incorporating the proposed fire services installations (FSIs) should be drawn to scale and depicted with dimensions and nature of occupancy; and
 - (ii) the location of where the proposed FSIs to be installed should be clearly marked on the layout plans.
