Dear Sirs,

Re: Section 16 application for Public Utility Installation (Radio Base Station and Antennas) at Section C (Part) of Lot 428 in Demarcation District 10, Lam Tsuen, Tai Po, New Territories

We refer to the application submitted on 11 September 2019 and would like to seek a 2 months deferment of a decision on the said application, which will provide us sufficient time to study and address the comments from Planning Department and Electrical and Mechanical Services Department.

Should you have any queries, please feel free to contact Mr. Ken Fong at [redacted] or the undersigned at [redacted].

Yours faithfully
For and on behalf of
