Dear Madam,

I hereby writing the letter to defer the application to 2 months of the Section 16 application No. A/ST/935 of the Proposed School (Kindergarten) at G/F of Podium B (Portion), Julimount Garden, 1-5 Hin Tai Street, Sha Tin, N.T..

Refer to the comment of the Transport Department, we should clarify the issues by providing the relevant document. My client have appointed the traffic consultant to deal with the case. As some of the supporting document should b provided, they need more time for the preparation. So, it may be needed to extend the application to handle it.

Please help to process the extension of application.

If you have any enquiries, please feel free to contact me

Best Regards,
