<sup>#</sup> The applied uses ceases operation or there is a change of use of the premises under application. Hence, the planning permission granted has lapsed.

<sup>@</sup> The planning permission was valid on a temporary basis of 3 years and had already expired.

<sup>~</sup> A/ST/718, A/ST/720, A/ST/724, A/ST/780, A/ST/679 and A/ST/699 were revoked due to the non-compliance with approval condition by the specified date.

<sup>\*</sup> The floor area will not be counted up to the aggregate commercial floor area based on the TPB-PG No. 25D.

### Approval Conditions

- (a) Approved on a temporary basis for a period of three years.
- (b) The provision of fire resistance wall, means of escape and fire service installations to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (c) The submission of fire safety measures within 6 months from the date of planning approval to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (d) The implementation of fire safety measures within 9 months from the date of planning approval to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (e) If any of the above planning conditions (c) or (d) was not complied with by the specified date, the approval hereby given should cease to have effect and should on the same date be revoked without further notice.
- (f) The submission of fire safety measures within 3 months from the date of planning approval to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (g) The implementation of fire safety measures within 6 months from the date of planning approval to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (h) If any of the above planning conditions (f) or (g) was not complied with by the specified date, the approval hereby given should cease to have effect and should on the same date be revoked without further notice.

- (i) The submission and implementation of the fire safety measures within 6 months from the date of approval to the satisfaction of the Director of Fire Services or of the Town Planning Board.
- (j) If the above planning condition (i) was not complied with by the specified date, the approval hereby given should cease to have effect and should on the same date be revoked without further notice.

**Application rejected by the RNTPC/TPB**

No.	Application No.	Application Premises (Unit)	Applied Use	Floor Area (m <sup>2</sup> ) (About)	Date of Consideration	Rejected Reasons
1.	A/ST/160	C (Part)	Real Estate Agency	15	20.4.1990	R1

**Rejected Reasons**

- R1 There is no justification for the proposed real estate agency shop, being a commercial use unrelated to any industrial operations in the Fo Tan industrial area, to be located in an industrial building, and that purpose designed commercial floor space for the proposed use would be available shortly.

**Recommended Advisory Clauses**

- (a) prior planning permission should have been obtained before commencing the applied use at the application premises;
- (b) a temporary approval of three years is given in order to allow the Committee to monitor the compliance of the approval conditions and the supply and demand of industrial floor space in the area to ensure that the long term planning intention of industrial use for the application premises will not be jeopardized;
- (c) to apply to the District Lands Officer/Shia Tin, Lands Department (DLO/ST, LandsD) for a waiver to permit the applied use. Such application, if received by LandsD, will be considered by LandsD acting in the capacity as the landlord at its sole discretion and, if approved, it would be subject to such terms and conditions including, among others, the payment of waiver fee and administrative fee as may be imposed by LandsD.
- (d) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department that:
  - (i) the subdivision of the unit/ premises should comply with the provisions of Buildings Ordinance/ Building (Minor Works) Regulations. For instance, the shop shall be separated from adjoining workshops by fire barriers with Fire Resistance Rating of 120 minutes, and the means of escape of fire existing adjoining premises shall not be adversely affected. The applicant should engage a registered building professional under the Buildings Ordinance to co-ordinate the building works, if any; and
  - (ii) if the use under application is subject to the issue of a licence, the applicant should be reminded that any existing structures at the application premises intended to be used for such purposes are required to comply with the building safety and other relevant requirements as may be imposed by the licensing authority.
- (e) to note the comments of the Director of Fire Services that:
  - (i) detailed fire safety requirements will be formulated upon receipt of formal submission of general building plans or referral from licensing authority; and
  - (ii) the applicant should comply with the “Code of Practice for Fire Safety in Buildings” which is administered by the Building Authority.
