Recommended Advisory Clauses

- (a) prior planning permission should have been obtained before commencing the applied use at the application premises;
- (b) a temporary approval of five years is given in order to allow the Committee to monitor the compliance of the approval conditions and the supply and demand of industrial floor space in the area to ensure that the long term planning intention of industrial use for the Premises will not be jeopardized;
- (c) to apply to the District Lands Officer/Shia Tin, Lands Department (DLO/ST, LandsD) for a waiver to implement the applied use. There is no guarantee that the waiver application will be approved. Such application, if received, will be considered by LandsD acting in its capacity as the landlord at its sole discretion and any approval given will be subject to such terms and conditions including, inter alia, payment of waiver fee and administrative fee as may be imposed by LandsD;
- (d) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department that:
 - (i) the use shall comply with the requirements under the Buildings Ordinance. For instance, the shop shall be separated from adjoining workshops by fire barriers with Fire Resistance Rating of 120 minutes, and the means of escape of the existing adjoining premises shall not be adversely affected;
 - (ii) adequate access facilities for persons with disability should be provided. Building (Planning) Regulations 72 and Design Manual Barrier Free Access 2008 are relevant;
 - (iii) if subdivision of the unit / premises is involved, it should comply with the provisions of Buildings Ordinance / Building (Minor Works) Regulations. The applicant should engage a registered building professional under the Buildings Ordinance to coordinate the building works, if any; and
 - (iv) the applicant is advised to engage an authorised person to co-ordinate the building works, if any.
- (e) to note the comments of the Director of Fire Services that:
 - (i) detailed fire services requirements will be formulated upon receipt of formal submission of general building plans;
 - (ii) means of escape separated from the industrial portion should be available for the subject unit;
 - (iii) regarding matters in relation to fire resisting construction of the application premises, the applicant is advised to comply with the 'Code of Practice for Fire Safety in Buildings' which is administered by the Building Authority; and
 - (iv) the applicant should pay attention to the 'Guidance Note on Compliance with Planning Condition on Provision of Fire Safety Measures for Commercial Uses in Industrial Premises' if the application is approved.
