APPLICATION FOR PERMISSION
UNDER SECTION 16 OF THE TOWN PLANNING ORDINANCE

APPLICATION NO. A/TM-LTYYY/384
(for 1st Deferment)

- Applicant** : Wong Fuk Yee
- Site** : Short Term Tenancy No. 563, Lam Tei, Tuen Mun, New Territories
- Site Area** : About 1,000 m² (including about 1,000 m² government land)
- Land Status** : Government Land
- Plan** : Approved Lam Tei and Yick Yuen Outline Zoning Plan (OZP) No. S/TM-LTYYY/10
- Zoning** : “Green Belt” (“GB”)
- Application** : Temporary Workshop of Construction Machinery and Storage of Parts for a Period of 3 Years

1. Background

On 27.8.2019, the applicant sought planning permission to use the application site (the Site) for temporary workshop of construction machinery and storage of parts for a period of 3 years (**Plan A-1**). The application was originally scheduled for consideration by the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) of this meeting.

2. Request for Deferment

On 2.10.2019, the applicant’s representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information (FI) to address the departmental comments (**Appendix I**).

3. Planning Department's Views

3.1 The Planning Department has no objection to the request for deferment as the justification for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a period of two months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
