Advisory clauses

- (a) prior planning permission should have been obtained before commencing the proposed development on-site;
- (b) to note that the permission granted was to the use of the Site as applied for. Such permission should not be construed as an acceptance or condonation by the Committee of any unauthorized building works (UBWs) on the Site. Any existing building structure which are regarded as UBWs under the Building Ordinance (BO) may be subject to enforcement action by the Building Authority;
- (c) to resolve any land issues relating to the development with the concerned owner(s) of the Site;
- (d) the Site should be kept in a clean and tidy condition at all times;
- (e) to note the District Lands Officer/Yuen Long, Lands Department (LandsD)'s comments that the Site comprises Old Schedule Agricultural Lots held under Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. Lot No. 2722 RP, 2724 and 2736 RP in D.D.120 are covered by Short Term Waivers (STWs) No. 3802, 3803 and 3805 respectively to permit structures erected thereon for the purpose of "ancillary use to open storage of building and recycling materials, construction machinery, used electrical/electronic appliances, cargo compartments with ancillary packaging activities and parking of municipal vehicles". The Site is accessible to Kung Um Road via Government land (GL) and private land. Her office does not provide maintenance work for GL involved and does not guarantee any right-of-way to the Site. The Site does not fall within Shek Kong Airfield Height Restriction Area. The STW holder(s) will need to apply to her office for modification of the STW conditions if there is any irregularities on site and the lot owner(s) of the lot(s) without STW will need to apply to her office for permit the structures to be erected or regularize any irregularities on site. Such application(s) will be considered by LandsD acting in the capacity of the landlord or lessor at its sole discretion and there is no guarantee that such application(s) will be approved. If such application(s) is approved, it will be subject to such terms and conditions, including among others the payment of premium or fee, as may be imposed by LandsD;
- (f) to note the Commissioner for Transport's comments that the land status of the access road/path/track leading to the Site at Kung Um Road shall be checked with the lands authority. The management and maintenance responsibilities of the access road/path/track shall be clarified with the relevant management and maintenance authorities accordingly. The applicant is reminded that sufficient space should be provided within the Site for manoeuvring of vehicles. In addition, no parking, vehicle queuing and reverse movement of vehicles on public road are allowed;
- (g) to note the Chief Highway Engineer/New Territories West, Highways Department's comments that adequate drainage measures should be provided at the site access to prevent surface water flowing from the Site to nearby public roads/drains. His department shall not be responsible for the maintenance of any access connecting the Site and Kung Um Road;
- (h) to follow the latest "Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites" issued by the Environmental Protection Department to minimize

any potential environmental nuisances;

- (i) to note the Chief Town Planner/Urban Design and Landscape, Planning Department's comment that the applicant is reminded to conduct routine vegetation maintenance works, such as irrigating the trees and removing weeds regularly throughout the period. Fence and/or kerb or bollard should be constructed with a minimum distance of 1m around the planting areas to guard against damage to the trees and shrubs. The applicant should make reference to "Technical Note on the Submission and Implementation of Landscape Proposals for Compliance with Conditions for Approved Applications for Open Storage and Port Back-up Uses under Section 16 of the Town Planning Ordinance". The applicant shall take reference to the following information/guideline published by the Greening, Landscape and Tree Management Section, Development Bureau for tree maintenance: 私人物業樹木護理資料 Information About Tree Maintenance for Private Properties (https://www.greening.gov.hk/tc/tree-care/Handbook_on_Tree_Management.html), 護養樹木的簡易圖解 Pictorial Guide for Tree Maintenance (https://www.greening.gov.hk/filemanager/content/pdf/tree_care/Pictorial_Guide_for_Tree_Maintenance.pdf);
- (j) to note the Director of Fire Services' comments that in consideration of the design/nature of the proposal, FSIs are anticipated to be required. Therefore, the applicant is advised to submit relevant layout plans incorporated with the proposed FSIs to his Department for approval. The layout plans should be drawn to scale and depicted with dimensions and nature of occupancy. The location of where the proposed FSIs to be installed should be clearly marked on the layout plans. However, the applicant is reminded that if the proposed structure(s) is required to comply with the Buildings Ordinance (BO) (Cap. 123), detailed fire service requirements will be formulated upon receipt of formal submission of general building plans;
- (k) to note the Chief Building Surveyor/New Territories West, Buildings Department (BD)'s comments that if the existing structures (not being a New Territories Exempted House) are erected on leased land without the approval of the BD, they are UBWs under the BO and should not be designated for any proposed use under the captioned application. For UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with BD's enforcement policy against UBW as and when necessary. The granting of any planning approval should not be construed as an acceptance of any existing building works or UBW on the application site under the BO. Before any new building works (including containers/open sheds as temporary buildings and land filling) are to be carried out on application site, prior approval and consent of the BD should be obtained, otherwise they are UBW. An Authorized Person (AP) should be appointed as the co-ordinator for the proposed building works in accordance with the BO. The Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulations 5 and 41D of the Building (Planning) Regulations respectively. If the Site does not abut on a specified street of not less than 4.5m wide, its permitted development intensity shall be determined under Regulation 19(3) of the Building (Planning) Regulation at the building plan submission stage; and
- (l) to note the Director of Electrical and Mechanical Services' comments that in the interests of public safety and ensuring the continuity of electricity supply, the parties concerned with planning, designing, organizing and supervising any activity near the underground cable or overhead line under the application should approach the electricity supplier (i.e. CLP Power) for the requisition of cable plans (and overhead line alignment drawings, where applicable) to find out whether there is any underground cable and/or overhead line within and/or in the vicinity of the Site. They should also be reminded to observe the Electricity Supply Lines

(Protection) Regulation and the “Code of Practice on Working near Electricity Supply Lines” established under the Regulation when carrying out works in the vicinity of the electricity supply lines.
