Advisory Clauses

- (a) to resolve any land issues relating to the development with the concerned owner(s) at the Site;
- (b) the Site should be kept in a clean and tidy condition at all times;
- (c) to note the comments of the District Lands Officer/Yuen Long, Lands Department that the application site (“the Site”) comprises Old Schedule Agriculture Lots held under Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. Lot No. 1495 in D.D. 119 is covered by Short Term Waiver (STW) No. 4365 to permit structures erected thereon for the purpose of “Temporary Warehouse for Storage of Exhibition Materials”. The Government land (GL) within the Site is covered by Short Term Tenancy No. 2937 for the purpose of “Temporary Warehouse for Storage of Exhibition Materials”. The Site is accessible to Kung Um Road via GL. Her office does not provide maintenance work for GL involved and does not guarantee any right-of-way over the GL to the Site. The STW/STT holder(s) will need to apply to her office for modification of the STW/STT conditions if there is any irregularities on site. Such application(s) will be considered by her department acting in the capacity of the landlord or lessor at its sole discretion and there is no guarantee that such application(s) will be approved. If such application(s) is approved, it will be subject to such terms and conditions, including among others the payment of premium or fee, as may be imposed by her department.
- (d) to note the comments of the Commissioner for Transport that sufficient space should be provided within the Site for manoeuvring of vehicles. In addition, no parking, queuing and reverse movement of vehicles on public road are allowed;
- (e) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department that adequate drainage measures should be provided at the Site access to prevent surface water running from the Site to the nearby public roads and drains. His Department shall not be responsible for the maintenance of any access connecting the Site and Kung Um Road;
- (f) to follow the latest “Code of Practice on Handling the Environmental Aspects of Temporary uses and Open Storages Sites” issued by the Environment Protection Department to minimize any potential environmental nuisances;
- (g) to note the Director of Fire Services’ comments that the applicant is advised to submit relevant layout plans incorporated with the proposed fire service installations (FSIs) to his department for approval. In addition, the applicant is advised that the layout plan should be drawn to scale and depicted with dimensions and nature of occupancy and the location of where the proposed FSIs to be installed should be clearly marked on the layout plans. If the proposed structure(s) is required to comply with the Buildings Ordinance (BO), detailed fire service requirements will be formulated upon receipt of formal submission of general building plans;
- (h) to note the comments of the Chief Building Surveyor/New Territories West, Buildings Department (BD) that if the existing structures (not being a New Territories Exempted House) are erected on leased land without the approval of the BD, they are unauthorized

building works (UBW) under the BO and should not be designated for any proposed use under the application. For UBW erected on leased land, enforcement action may be taken by the BD to effect their removal in accordance with BD's enforcement policy against UBW as and when necessary. The granting of planning approval should not be construed as an acceptance of any existing building works or UBW on the Site under the BO. Before any new building works (including containers/open sheds as temporary buildings and land filling) are to be carried out on the Site, prior approval and consent of the BD should be obtained, otherwise they are UBW. An Authorized Person should be appointed as the co-ordinator for the proposed building works in accordance with the BO. The Site shall be provided with means of obtaining access thereto from a street and emergency vehicular access in accordance with Regulation 5 and 41D of the Building (Planning) Regulations (B(P)R) respectively. If the Site does not abut on a specified street of not less than 4.5m wide, its permitted development intensity shall be determined under Regulation 19(3) of B(P)R at the building plan submission stage; and

- (i) to note the comments of the Director of Electrical and Mechanical Services that in the interests of public safety and ensuring the continuity of electricity supply, the parties concerned with planning, designing, organizing and supervising any activity near the underground cable or overhead line under the application should approach the electricity supplier (i.e. CLP Power) for the requisition of cable plans (and overhead line alignment drawings, where applicable) to find out whether there is any underground cable and/or overhead line within and/or in the vicinity of the Site. They should also be reminded to observe the Electricity Supply Lines (Protection) Regulation and the "Code of Practice on Working near Electricity Supply Lines" established under the Regulation when carrying out works in the vicinity of the electricity supply lines.
