**1. Background**

On 3.10.2018, the applicant submitted an application proposing to rezone part of the application site (the ‘Site’) from “R(A)1” to “G/IC” and part from “G/IC” to “R(A)1” on the approved Yuen Long OZP No. S/YL/23 so as to swap the location of the “G/IC” zone with the “R(A)1” zone within the Site to facilitate the implementation of a residential development within the proposed “R(A)1” zone which could gain direct access to Shap Pat Heung Road abutting the northern boundary of the Site (**Plan Z-1**). The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) at its next meeting on 21.12.2018.

**2. Request for Deferment**

On 16.11.2018, the applicant’s representative wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application

for 2 months so as to allow time to address the departmental comments (**Appendix I**).

**3. Planning Department's Views**

- 3.1 Upon circulation of the application for departmental comments, concerned departments including the Chief Town Planner/Urban Design and Landscape of Planning Department, Transport Department and Highways Department raising concerns on the application regarding visual, air ventilation, landscape and traffic aspects.
- 3.2 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interest of other relevant parties.
- 3.3 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within 3 months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a period of 2 months for preparation of submission of further information and no further deferment would be granted unless under very special circumstances.

**4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
