1. Section 2.4.2 - The TD endorsement on traffic forecast in Year 2045 is missing.	TD's endorsement has been supplemented.
2. Figure 3.1 - Please indicate the representative NSRs in Figure 3.1 for fixed noise source impact assessment for easy checking. - Please advise if the rooftop chillers at The Grandeur should be considered as fixed noise sources.	- Representative NAPs within the Proposed Development adopted for fixed noise impact assessment have been indicated in Figure 3.1. - The AC outdoor units at The Grandeur have been included in the fixed noise impact assessment as conservative approach.
