10. Justifications 理由

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary.
現請申請人提供申請理由及支持其申請的資料。如有需要，請另頁說明。

In alignment with the Government's initiative to establish Hong Kong as an international hub for post-secondary education, the proposal is to convert an existing office building into a student hostel under the Hostels in the City Scheme ("the Scheme"). Application had been made to the Education Bureau under the Scheme and was accepted by the Bureau on October 9, 2025.

This conversion will directly address the growing demand for affordable and accessible student accommodation, particularly for local and international students pursuing higher education in Hong Kong. By re-purposing an existing commercial building, the project optimizes the use of urban space and contributes to the sustainable development of the city.

This project will contribute to a vibrant and inclusive academic environment, further strengthening Hong Kong's position as a global education hub while revitalizing underutilized commercial infrastructure in the city.

Subject to further approval by Buildings Department, the project will provide a total of 198 rooms from 1/F to 22/F and would tentatively provide 264 bed spaces. Out of the 198 rooms, there would be 132 nos. of single room and 66 nos. of double room. Size of room ranges from 9sqm to 29sqm. Each room will have its individual bathroom with shower. 4 nos. of accessible rooms will be provided at 1/F to 3/F. Common facilities such as meeting room, laundry, common rooms and gym will be provided at the podium floors from 1/F to 3/F, and pantry will be provided at every floors from 1/F to 22/F. Access to the project will be at G/F from the lobby facing Shantung Street. At each floor, access card or password controlled lock will be installed at the door connecting the lift lobby to the internal room corridor.
