Hi Esther,

Response of PlanD comments and public comments were attached.
thx ~

Comments from Sha Tin, Tai Po and North District Planning Office, Planning Department

1. Please advise whether the applied uses are already in operation. The applicant shall be reminded to adhere to the scheme as submitted under the current application.
2. According to the application form, no tree felling will be involved. However, some common tree species, and a possible mature tree with >750mm DBH were found along the southwestern site periphery. Please confirm whether all existing trees within the application site will be retained, and no tree felling will be involved.
3. Please advise if any fencing will be erected along the site boundary on all sides. If so, please provide details on the material and height of the fencing.

Public Comments

Please note that during the statutory public inspection period, 3 public comments were received, two of them objecting to the application.

Regards,

Warren
