Dear Sir/Madam,

[REDACTED]  
regarding the comments from the Drainage Services Department (DSD) on the captioned planning application. I also refer to our letter dated 3 December 2025 applying for a deferment of consideration of the captioned planning application by Town Planning Board for a period of 2 months, and your subsequent letter dated 9 January 2026 agreeing to such a deferment.

In response to DSD's comments, and having considered the presence of the existing U-Channel under DSD's management, its clearance requirements, and the operation and maintenance needs of the HV Pillar, the proposal has been revised accordingly.

Please find attached the following information prepared to facilitate your consideration of our application:

1. Revised proposal with replacement pages of S.16 Application Form;
2. A plan overlaying the revised proposal with DSD's drainage record plan; and
3. A revised plan demonstrating the proposed connections of the proposed HV Pillar to existing networks and target developments

Should you have any questions regarding the above, please do not hesitate to contact me. Thank you for your attention.

Kind regards,  
Andy Shim
