#### 3.2 Land-Related Issues

3.2.1 All the above private lands are Old Schedule Lots held under the Block Government Lease of DD100. There is an existing Short-Term Waiver (STW) No. STW799 for a paper factory use, and permitting the erection of structures on Lots 1624 S.A to S.I, 1624 RP, 1626, 1628, 1629, 1631, 1632, 1633, 1634, 1635, 1636, 1637 in D.D. 100.

3.2.2 An application for Short-Term Tenancy (STT NX 1799) regarding the portion of Government land adjoining the private Lot no. 1666 S.C RP for access to the site is also under processing by the Lands Department (**refer to Figure 3.2**).

3.2.3 For the Unallocated Government Land adjacent to Lot No. 1626 in DD100, an STT application has been submitted to the Lands Department after obtaining TPB's approval on planning application no. A/NE-KTS/527 in 2023. The STT application is still under consideration by the Lands Department (**refer to Figure 3.2**).

#### 3.3 The Updated Tree Survey

3.3.1 An updated Tree Survey was carried out on 14.5.2026. Please refer to the Topographic and Tree Survey Plan in **Appendix I** and the Tree Survey Report attached in **Appendix II** of this planning statement for details.

<b>FSI Provisions</b>	<b>Enclosed Temporary Godown GFA &lt; 230m<sup>2</sup></b>	<b>Enclosed Temporary Godown GFA &gt; 230m<sup>2</sup></b>
Fire Extinguisher	yes	yes
Stand-alone Fire Detector	To be provided	To be provided
Emergency Lighting	yes	yes
Directional & Exit Sign	yes	yes
Sprinkler System	yes	yes

3.4.2 The relevant Fire Services Certificates, Fire Service Installation Proposal (including the F.S. Note) and Layout Plans are provided in **Appendix V**.

#### **4. Justifications for the Proposed Scheme**

##### **4.1. The application aims to renew the temporary planning permission granted by the TPB for the previously approved application no. A/NE-KTS/527**

4.1.1. The structures located within the application site were built before the publication of the Kwu Tung South Interim Development Permission Area Plan in 1990.

4.1.2. The Board previously approved 9 applications with conditions for similar godown use submitted by the same applicant. The latest is the approved application no. A/NE-KTS/527, and the main purpose of this application is to renew the temporary planning permission granted by the TPB for the previously approved application no. A/NE-KTS/527.

##### **4.2. The proposed use would not frustrate the long-term planning intention of the "REC" zone.**

4.2.1. Although the proposed temporary use is not in line with the planning intention of the "REC" zone, the Government has no immediate programme or known intention to use the application site for recreational use. Hence, granting the application temporary approval for 3 years would not frustrate the long-term planning intentions of the "REC" zone.

##### **4.3. The proposed use is not incompatible with the surrounding land use**

4.3.1. The proposed use is not incompatible with the surrounding land use, which is predominantly workshops, open storage yards, car parks, and vacant land, despite some domestic structures and fallow agricultural land in the surrounding areas.

##### **4.4. The proposed use as a godown, ancillary office and staff quarters under the current application is the same as the previously approved applications.**

4.4.1. The development parameters, i.e., site area, floor area, site coverage, parking spaces, and loading/unloading spaces, remain the same as those proposed under the previously approved application no. A/NE-KTS/527. The latest site photographs of the proposed use are attached in **Appendix III**.

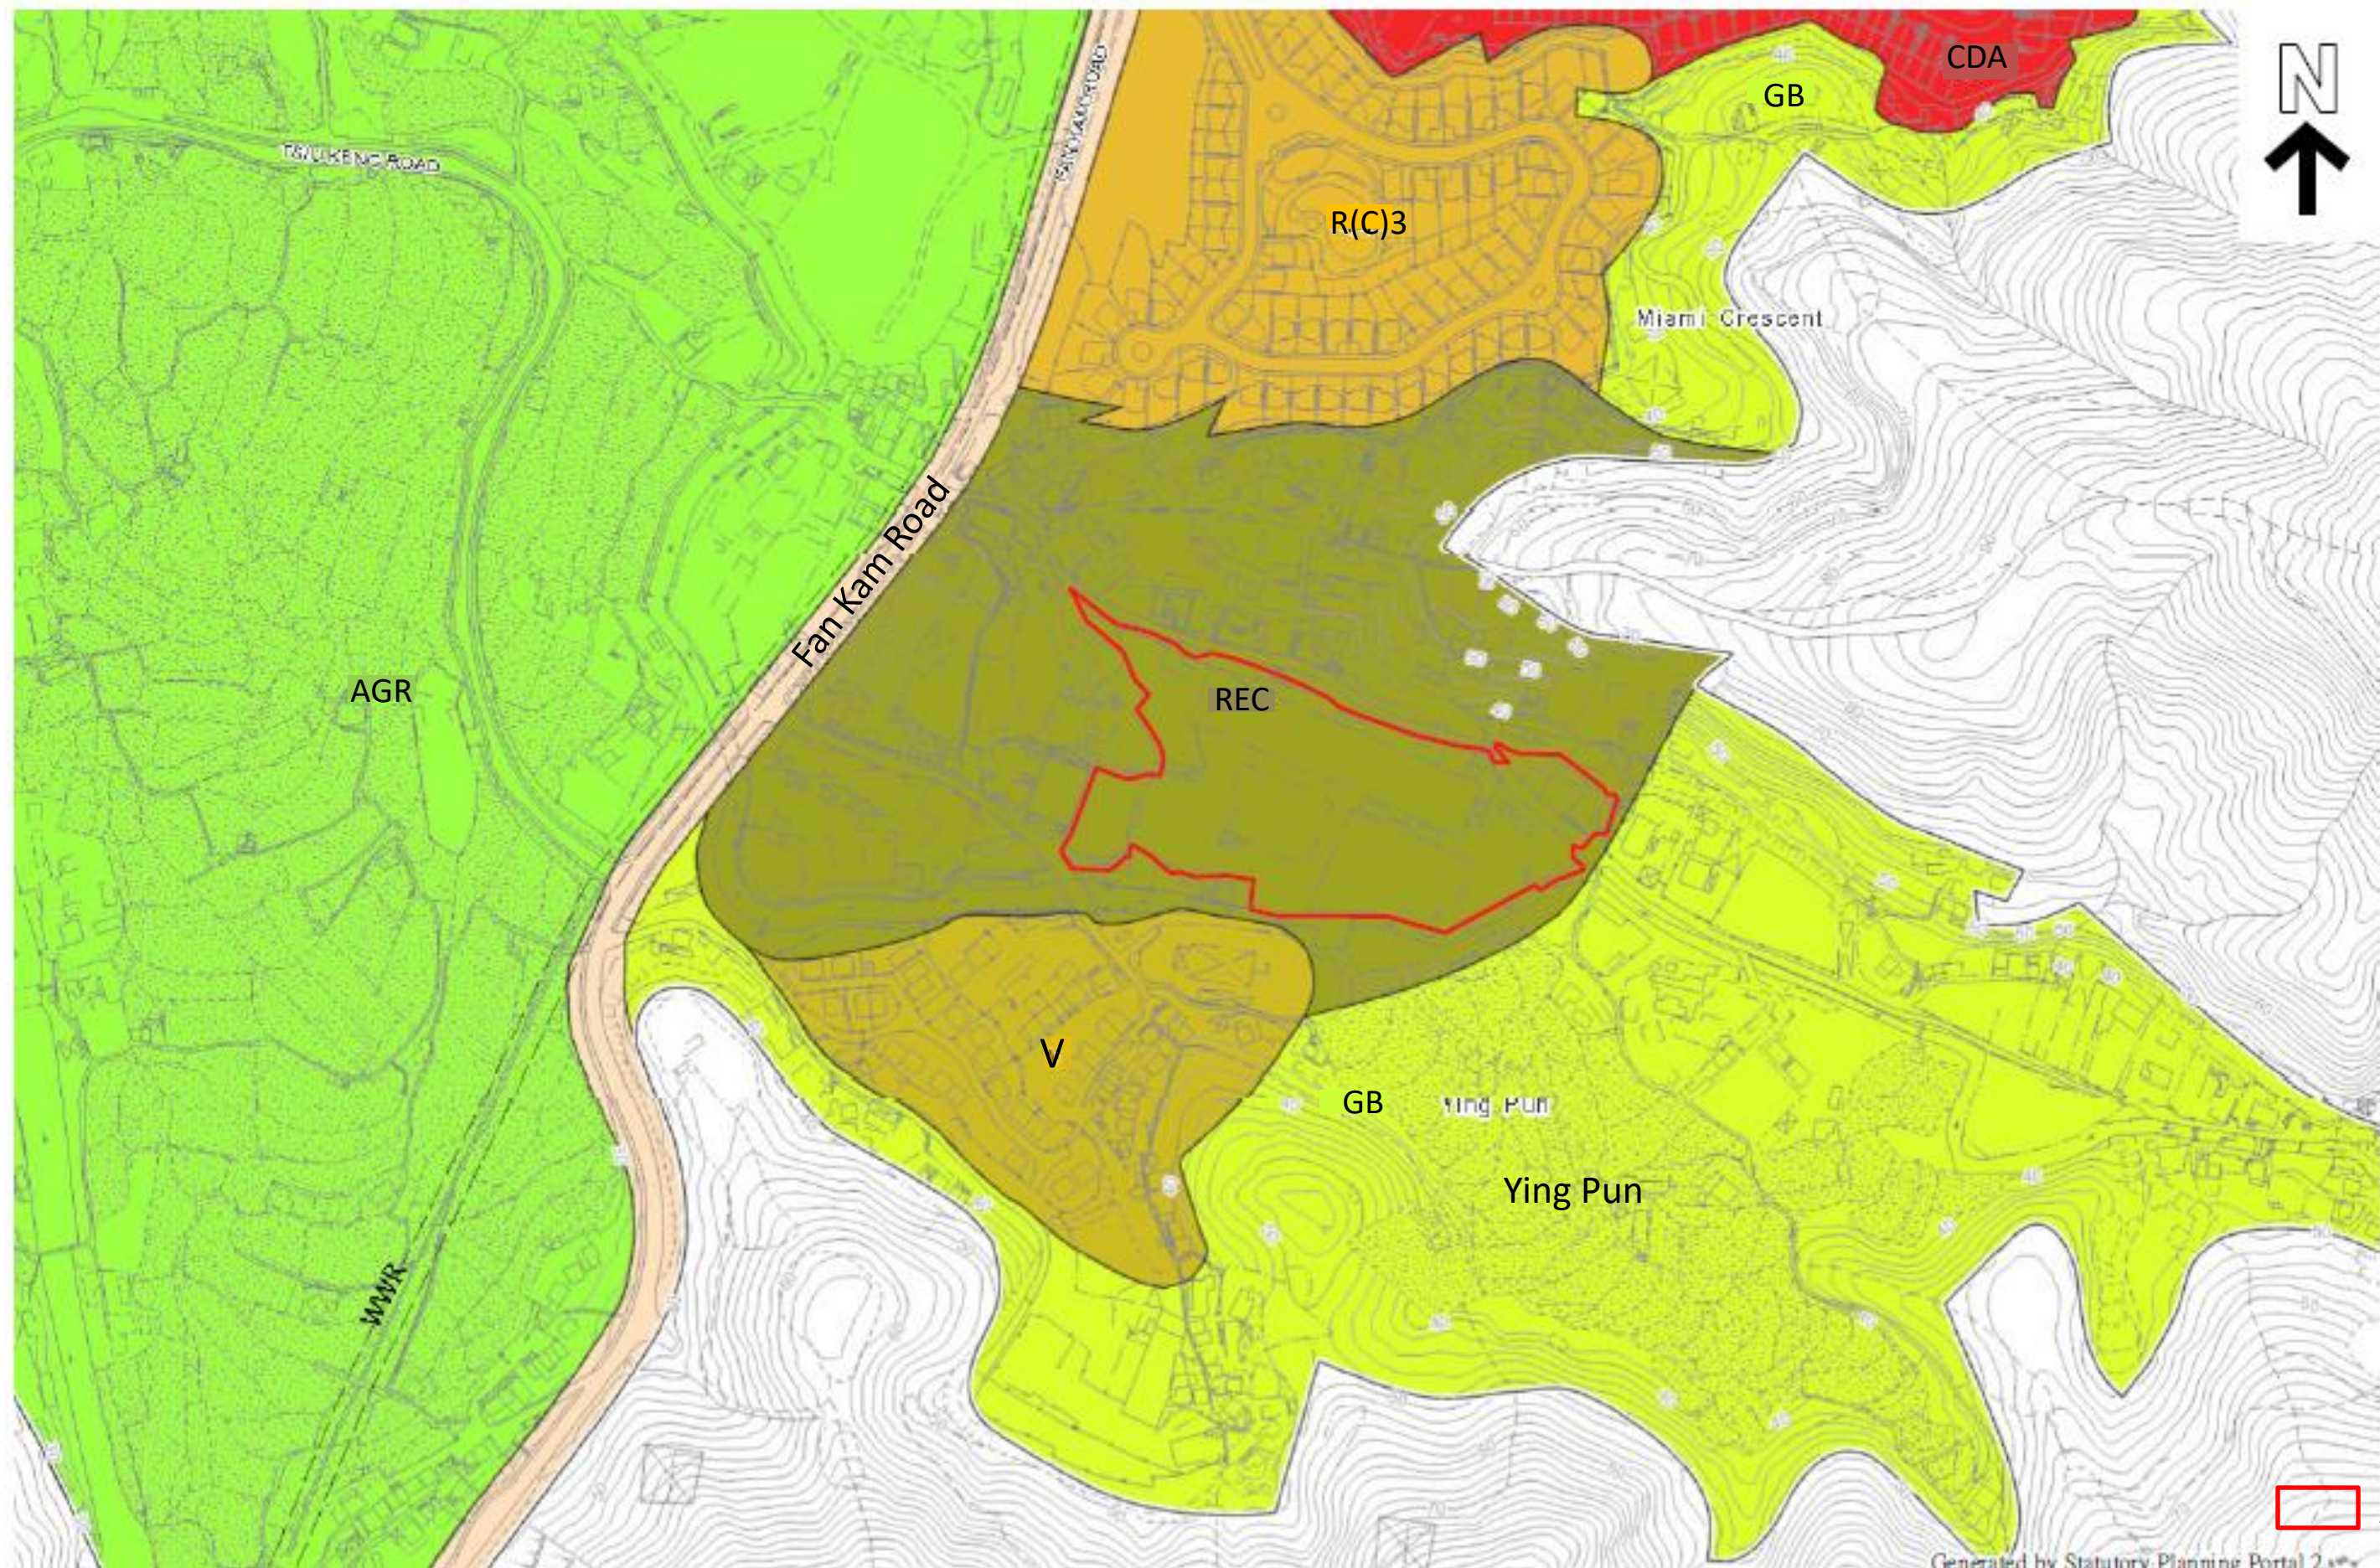

##### **4.5. The applicant has complied with all the approval conditions of the previously approved planning application (A/NE-KTS/527)**

4.5.1. The applicant has complied with all the approval conditions of the previous planning application relating to drainage facilities, fire service installations and traffic improvement measures to enhance pedestrian safety. The updated photographic records of stormwater drains and fire service certificates are attached in **Appendices IV and V**, respectively.

## **5. Summary**

- 5.1. This Section 16 application is submitted on behalf of Empire Famous Limited to renew planning permission for the proposed temporary godown with ancillary office and staff quarters for 3 years at various lots in DD100 and adjoining government land, Ying Pun, Kwu Tung South, New Territories.
- 5.2. The proposed use would not frustrate the long-term planning intention of the "REC" zone and is considered not incompatible with the surrounding land use.
- 5.3. The applicant has complied with all the conditions of approval for the previously approved planning application (A/NE-KTS/527).
- 5.4. The development parameters, i.e., site area, gross floor area, site coverage, parking spaces, and loading/unloading spaces, remain the same as those proposed under the previously approved application no. A/NE-KTS/527.
- 5.5. Based on the above justifications of the proposed temporary use, members of the Board are respectfully requested to give favourable consideration to the proposed renewal of the approved planning application.
