Dear Mr. Wong,

Following up on our previous discussion about the site usage for the captioned application, please find the requested information below for your consideration. Thank you:-

1. The current usage for the whole development is to provide the telecom services for that area
2. The usage for the 3 fiber glass containers is for storage of telecom equipment & associated facilities
3. The usage for the air pressurization unit room is for monitoring any damaged of underground cable
4. There are 3 existing containers built on the site, the additional is reserved for future expansion

Best regards,
Kaysie Chow
