主旨: Supplement information of s.16 Planning application No. A/NE-MKT_47
類別: Internet Email

Dear Cheryl,

As we just spoken, the supplement information of the application is shown as below:

1. The usage of proposed development will be convenience store instead of pickup services point, whereas the details of the operation of the shop/shops has not been decided yet.
2. As the existing application site has no trees, the proposed trees will be planted after the filling of land.

Thank you.

Regards,
Ciel Au Yeung
