

MKT-60. Response to TD comments

Comment 1
Swept Plan Plans refer, the applicant should clarify whether the goods vehicles need to encroach onto the opposite lane when they are entering/ leaving the application site, preferably showing the existing road makings at Ping Che Road.
Response
<p>Please refer to the revised swept path plans.</p> <p>The applicant confirms that goods vehicles will not need to encroach onto the opposite lane when entering or leaving the application site. Drivers will be instructed to use the northbound lane of Ping Che Road for both entry and exit maneuvering.</p>
