Dear Sir/Madam,

Application for Planning Permission for Proposed Temporary Warehouse (Excluding Dangerous Goods Godown) with Ancillary Facilities for a Period of 3 Years at Lots 181 RP (Part), 184 S.A. RP, 185, 186, 188 RP, 191 RP, 192 S.A. RP, 193 RP, 194 RP and 195 S.A RP in D.D. 82, Lin Ma Hang Road, Ta Kwu Ling, N.T.

(Application No. A/NE-MKT/71)

We refer to the captioned application and submit the following supplementary information to clarify the proposed development:

1. The layout of the proposed development has been designed to meet operational needs. As sufficient space for vehicles to enter and exit and for loading/unloading will be reserved within the Application Site, a relatively smaller site coverage has been adopted. A two-storey warehouse with a site coverage of 1,527 sq.m. is proposed, with a total gross floor area (GFA) of 3,054 sq.m. Please also note that the eastern portion of the Application Site will be reserved solely for vehicle manoeuvring and holding goods vehicles. No open storage activities will be conducted on the Application Site.
2. To clarify the submitted drainage proposal, please note that the proposed development will involve filling the land to a depth of approximately 0.2m with soil, which will then be topped with concrete for the purposes of site formation, parking, loading and unloading, and manoeuvring vehicles. To avoid any adverse impact on the surrounding area, the Applicant will implement the drainage facilities in accordance with the approved proposal once it has been approved.

Should there be any queries, please contact our Ms. Cannis Lee or Ms. Yancy Fung at [REDACTED].

Yours faithfully,
For and on behalf of
Lawson David & Sung Surveyors Limited
