The applicant would like to provide the following supplementary information for the consideration of Government departments (**Appendix I**).

1. As the application site (the Site) is for animal boarding establishment use (i.e. kennel and cattery), the applicant proposed structure B1 as kennel (for dogs) and structure B2 as cattery (for cats). Such arrangement is to provide better accommodation and daily care to the animals, as well as to minimise potential impacts to the surroundings; and
2. No retail or commercial selling operations for dogs or cats will be conducted in the Site.
