Dear Mr.Wu

Please retract the reply to the first point of my response to the Transportation Department's email sent at 12:04 PM on October 3 rd, and substitute the reply as below.

Re:Transport Department.

Q1 Please find the supplemental vehicle count survey conducted on Friday, 26th September 2025 as per attachment at Location A as specified therein.

Q2 The traffic flow generated and attracted to the application site is expected to be between Monday to Friday during 12:00 to 15:00, with one LGV access every one to two hours, coping with the warehouse operational peak hours, it will not cause substantial traffic impact to the surrounding road network and the adjacent single track Lin Ma Hang Road.
