**Survey Notice** 

[To be posted on structures to be surveyed]

The draft Outline Zoning Plans for Kwu Tung North and Fanling North New Development Areas (NDAs) were gazetted on 20 December 2013. Notice is hereby given that these areas may be cleared/required for development of the NDAs in future. Lands Department staff are now carrying out a freezing survey in order to establish the eligibilities for rehousing and ex-gratia payments, if any, of the residents, occupiers, operators of shops, workshops and other undertakings affected by the NDAs development.

- 2 Every effort will be made to minimize inconvenience caused to residents/occupiers when the freezing survey work is being carried out. Residents/occupiers are requested to cooperate with Lands Department staff to enable this work to be completed as soon as possible. Arrangements will be made to contact separately any persons who cannot be contacted during the survey.
- 3. Attention is drawn to the fact that any person who commences occupation, or operation of any trades, in these areas on or after the date of this notice will not be considered for rehousing or ex-gratia payment.
- 4. Please note that whether or not the structure(s) surveyed have to be cleared by Government and the timing of such clearance have <u>not</u> yet been decided upon at this stage. When the Government gives approvals in future for land resumption/clearance in accordance with the statutory processes, affected residents/occupiers will be further notified.
- 5. Enquiries about the survey and information mentioned above can be directed to Lands Department via the Lands Department Hotline (telephone number: 3516 8233) from 9:00 a.m. to 12:30 p.m. and from 2:00 p.m. to 5:30 p.m. from Mondays to Fridays (except general holidays).
