Departmental Comments		Applicant's Responses
1. Comments from the Commissioner for Transport (C for T)		
(a)	The swept path encroached upon another parking lot, particularly in reverse onto the corner parking lot. Please revise the swept path analysis or car park arrangement to eliminate this hazard.	The enclosed swept path analysis at Annex 1 has demonstrated the satisfactory manoeuvring of private cars within and into/out of the application site (the Site). No encroachment upon another parking lot is observed.
