Dear Ms. Lee,

We generally hold tree regeneration educational sessions about four times per month. The course content covers how to transform recycled wood into useful products, such as furniture, handicrafts, interior decor, or creative cultural art products. Each session is attended by about 8 to 10 people. Participants can take public transportation to reach the Ping Che Road and then walk for 5 minutes to our venue. All attendees must reserve in advance; those without a reservation will not be admitted. Thank You !

Regards,
H.Y.Pang
