Dear Charlotte,

Please find the amended p.2,p.7,p. 9 ,p.14,and 16 of the attached completed application form for your necessary action. Please also update this application form submission to the TPB secretariat.

Please also find the supplementary information as below:

The electricity as generated from the proposed solar panels is to support the usage of electricity for the proposed car park (i.e. lighting) and the ancillary electric vehicle charging facilities. For clarification, no vehicle without valid license issued under the Road Traffic (Registration and Licensing of Vehicle) Regulations will be allowed to park at the Site.
