AP's Certificate of Completion of Vehicular Run-in and Run-out**Lot No(s). : D.D. 216 Lots 859****Address: No. 101 Tai Mong Tsai Road, Sai Kung**

I refer to your above quoted memo dated 03.08.2021.

2. Please be advised that site inspection with the AP for the vehicular run-in/run-out has been held on 22 April 2021 and defect rectification completed on 15 July 2021. I consider the works for the above-mentioned vehicular run-in/run-out have been completed to our satisfaction subject to the following conditions:-

- i) Grating shall be provided for the U-channel after WSD remove the pipe work
- ii) The U-channel within their lot boundary shall maintain the proper fall direction to prevent flooding on public road / footway
