Dear Ms. Wan,

Thank you for your email dated July 8, 2025, regarding the comments from the Transport Department (TD) and the Drainage Services Department (DSD).

My clients, being responsible parties, require additional time to consult with the relevant professionals to adequately prepare the necessary requirements. They are committed to complying with the requests and comments from both TD and DSD once the s.16 application is approved.

Thank you for your understanding.

Best regards,

Hudson SH YEUNG
