Dear Christina LEE,

Refer to your email about the transportation(e.g. shuttle service) for the students, we do not provide such service for students.

1. According to the Justifications of the Form No.S.16-I mentioned, our target customers are mostly the residents of Wetland Seasons Bay and Wetland Seasons Park which distance to our centre is around 100M to 800M. Also our centre is nearby the Light rail station of Wetland Park which distance to our centre is around 100M. On the hands, there are 15 no. routes of the bus and mini bus of other public transports provided to our centre. There are lot of choices for other students to go to our centre.

2. Also, we encourage everyone to comply with the Hong Kong Legislation. We do not allow all the illegal activities.

If you have any questions, please feel free to contact me at

Best Regards,
Wong Chi Wing
