主旨: Fw: Application No. A_YL-KTN_1137 enclosed information reply to EPD

Dear [REDACTED]

Enclosed below is a reply to the Environmental Protection Department :

i. The site(A) carry out vehicle service of replacement parts of private car shown as below items :
windshield wipers,
Safety belt
Headlights, side, mirrors, turn signal, brake light , rearview mirror replacement.

There are no vehicle dismantling activities that will be conducted.

ii Whole site (A, B and C) (enclosed) , where repair service activities will be carried out, is paved with concrete already.

iii. There is no sewerage arrangement to be caused under vehicle repair service.

No service to be provided on engine oil and wheels replacement and windshield replacement.

All rubbish will be carried to the nearby garbage station.

iv. Vehicle repair activities are conducted within the enclosed structure and no noise impact from the proposed use.

We will strictly comply with the noise and environmental impact.

Please kindly to correct and give advice, thanks !

Mak Kam Cheung
