- (i) The applicant would like to provide the following clarifications for Government departments upon the subject application:
- The application site (the Site) is subject of a previous application No. A/YL-KTN/1044. As the Site is often mostly occupied during weekends and public holidays; the applicant would like to enlarge the Site to serve more families and parties by providing a variety of activities to satisfy customers’ needs, including wedding events, dancing, painting, drawing and yoga classes etc..
 - Loudspeakers will be used within the Site, however, the applicant will strictly follow relevant laws and regulations, including the ‘*Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites*’ by the EPD to minimise all possible environmental impacts on the nearby sensitive receivers. All loudspeakers will only be used within operating hours (i.e. 09:00 to 18:00 daily, including public holidays); usage of loudspeakers is strictly forbidden other than operating hours. The applicant will also follow the ‘*Professional Persons Environmental Consultative Committee Practice Notes*’ (‘*Pro PECCPNs*’) for sewage treatment at the Site;
 - All existing trees within the Site will be preserved, including 45 existing trees (i.e. *Syagrus Romanzoffiana* (Cham.) Glassman) planted within different areas of the Site (**Appendix II**). The existing trees are for mitigating any potential visual and landscape impact (if any) towards nearby sensitive receivers. All trees within the Site will be maintained by the applicant in good condition during the planning approval period; and
