Dear Sir,

The last occupier for the operation of convenient store has terminated the operation at the site in February 2025 due to personal reason. The stuff at the application site were left by the said operator and they will be removed shortly. The applicant of the current application is the tenant of the application site and he intends to find another occupier to occupy the application site for convenient store use to serve the community. In view of that the expiry date of the planning permission No. A/YL-LFS/430 is coming, he submits the current application to renew the planning permission for the use of convenient store at the application site.

Best regards,

Patrick Tsui
