7. Justifications 理由

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary.
現請申請人提供申請理由及支持其申請的資料。如有需要，請另頁說明。

1. The application site has been upgraded to 'Category 2 Areas' according to the Town Planning Board Guidelines No. 13G of which open storage activities would normally approve if there is no adverse comments from Government departments.
2. The proposed development is temporary in nature and it would not jeopardize the planning intention of "AGR" zone in the long run. Also, similar open storage use has been approved at adjacent land such as A/YL-TT/617.
3. The nature, layout, form and scale of the proposed development is not incompatible with the surrounding environment.
4. Similar precedence for open storage was approved in "AGR" zone within the same Outline Zoning Plan.
5. Minimal traffic impact as shown in the attached estimated traffic generation.
6. Insignificant environmental impact because no operation will be held between 7:00p.m. to 9:00a.m. The proposed development involves only open storage of construction materials which could be delivered by light goods vehicle.
7. Insignificant drainage impact as drainage proposal has been submitted in support of the application.
8. The applicant will comply with planning conditions if the Town Planning Board see fits.
9. The applicant will follow the relevant mitigation measures and requirements as shown in the revised "Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites".
10. The application site is compatible to the approved port back-up use to the north of the application site.
11. In view of that the application site is undulated and uneven in topography, the applicant proposed to fill the land to make the site suitable for open storage use.
12. The construction materials to be stored at the application site include pvc pipes, handy tools, sanitary ware and alike.
13. The application site is subject to a previous planning permission No. A/YL-TT/642 approved for the open storage and warehouse use. The applicant failed to comply with the condition for the submission of drainage proposal because he needs additional time to respond to the comments of the CE/MN, DSD. In the current application, the applicant has submitted drainage proposal and FSI proposal to support his application.
