Subject: Further Information of s.16 Planning Application No. A/YL-TYST/1344

Dear Sir/Madam,

To support the captioned application, we would like to submit further information on the proposed use and site boundary which is set out at below –

- 1. No workshop use would be carried out at the Application Site, which would be controlled under the conditions of the STT.**
- 2. The Application Site would not encroach the vesting order boundary as proposed by the Housing Department, which would be controlled under conditions of the STT.**

Thanks.

Regards,
Sybille
