Ankor Driving School Limited

[REDACTED]
(Attn: Ms Sandra LAW, Director)

Dear Ms LAW,

Renewal of Planning Permission for Ankor Driving School

I refer to your email dated 12 March 2026.

The existing designation of Ankor Driving School (“Ankor”) will expire on 13 October 2026. Given the waiting time for a driving test at Ankor being approximately 3 months at present and that the scheduling of driving test appointments depends upon the Town Planning Board (“TPB”)’s approval for the continued operation of Ankor, it is necessary to obtain the renewal of planning approval from TPB early to avoid causing any disruptions to the driving training/ test services arrangement.

In this connection, I should be most grateful if you would take expeditious actions to complete all necessary procedures and arrangements related to the renewal of the planning permission before **July 2026** to maintain the continued operations of Ankor. Please keep us posted on the development of the renewal application as appropriate.

Yours sincerely,

(YEUNG Chun-wing)
for Commissioner for Transport
