(for 2nd Deferment)

<u>Applicant</u>	:	E Man Construction Company Limited represented by Top Planning Property Consultants Limited
<u>Site</u>	:	Various Lots in D.D. 83 and Adjoining Government Land (GL), Lung Yeuk Tau, Fanling, New Territories
<u>Site Area</u>	:	About 15,090m ² (including GL of about 35m ² , or about 0.2% of the Site)
<u>Lease</u>	:	Block Government Lease (demised for agricultural use)
<u>Plan</u>	:	Approved Lung Yeuk Tau and Kwan Tei South Outline Zoning Plan (OZP) No. S/NE-LYT/19
<u>Zoning</u>	:	“Agriculture” ¹
<u>Application</u>	:	Proposed Temporary Open Storage of Construction Materials and Machineries with Ancillary Facilities for a Period of Three Years and Associated Filling of Land

1. Background

- 1.1 On 24.12.2024, the applicant submitted the current application to seek planning permission for proposed temporary open storage of construction materials and machineries with ancillary facilities for a period of three years and associated filling of land at the Site (**Plan A-1**).
- 1.2 On 14.2.2025, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer making a decision on the application for two months, as requested by the applicant, to allow time for preparation of further information (FI) to address departmental comments.

¹ According to the covering Notes of the OZP, the minor portion of the application site (the Site) (i.e. about 56.9m² or 0.4% of the Site) encroaching onto the “Residential (Group C)” zone could be considered as minor boundary adjustment.

1.3 On 14.4.2025, the applicant submitted FI to address departmental comments. The application is scheduled for consideration by the Committee at this meeting.

2. Request for Deferment

On 27.5.2025, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months in order to prepare FI to address the departmental comments (**Appendix I**).

3. Planning Department's Views

3.1 The Planning Department has no objection to the request for the second deferment as the justification for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33B) in that the deferment would allow the applicant to prepare FI to address outstanding issues.

3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a total of four months for preparation of the submission of FI. The second deferment should be the last deferment and no further deferment would be granted unless under very special circumstances and supported with strong justifications.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
