Dear Sir/Madam,

This letter is to supersede the email I sent before to your office on 9 Oct.

I refer to my captioned planning application (No. A/TM-LTYT/497) and would like defer my application process for 2 months and reschedule the TPB meeting scheduled on 24 Oct 2025 as it needs time to clarify/deal with those comments from concerned department.

Thank you for your attention.

For and on behalf of
Origin Production Ltd.
