主旨: RE: Planning application A/SLC/198 - Departmental Comments  
類別: Internet Email

Dear Mr. Chan, Ms Li & TPB,

I would like to withdraw the deferment request on 29.12.2025 3:05 PM and the following deferment request will supersede the previous one.

Since more time would be required to prepare further information to address departmental comments on the subject application, I would like to defer the case for two months.

Should you have any queries, please contact the undersigned at [REDACTED]  
Thank you.

Best Regards,
