1. Background

- 1.1 On 27.8.2025, the applicant sought planning permission for temporary place of recreation, sports or culture and animal boarding establishment with ancillary facilities and associated filling of land and pond for a period of three years at the application site (**Plan A-1**).
- 1.2 On 24.10.2025, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer making a decision on the application for two months, as requested by the applicant, in order to allow time for preparation of further information (FI) to address departmental comments.
- 1.3 On 23.12.2025, the applicant submitted FI to address departmental comments. The application is scheduled for consideration by the Committee at this meeting.

2. Request for Deferment

On 22.1.2026, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months in order to allow time for preparation of further information (FI) to address the departmental comments (**Appendix I**).

3. Planning Department's Views

- 3.1 The Planning Department has no objection to the request for the second deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33B) in that the deferment would allow the applicant to prepare FI to address outstanding issues.
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and could be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a total of four months for preparation of the submission of FI. The second deferment should be the last deferment and no further deferment would be granted unless under very special circumstances and supported with strong justifications.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
